Chairman

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Fasken McNaboe Pedestrian Bridge in Fiscal Year 2026. The entity to receive funding for this project is the City of Laredo, located at 1110 Houston Street, Laredo, Texas 78040. The funding would be used to construct an ADA-compliant pedestrian bridge connecting Father McNaboe Park with the Barbara Fasken Recreation Center. The project is an appropriate use of taxpayer funds because it improves pedestrian safety, enhances accessibility for seniors and persons with disabilities, and unifies two major public recreation facilities into a single community hub for health and wellness.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Henry Cuellar, Ph.D.
U.S. Congressman
28th District of Texas
