Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Jim Hogg County Road Improvements in Fiscal Year 2026. The entity to receive funding for this project is Jim Hogg County, located at 102 East Tilley, Hebbronville, Texas 78361. The funding would be used to resurface high priority county roads, upgrade drainage systems, and reinforce roadway shoulders to improve safety and functionality. The project is an appropriate use of taxpayer funds because it will eliminate roadway hazards, reduce the risk of accidents, and ensure the safe and reliable movement of residents, goods, and emergency services, while also enhancing infrastructure resilience across rural communities.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Henry Cuellar, Ph.D.
U.S. Congressman
28th District of Texas
