

**Rep. Cuellar's Language in FY21 Military Construction, Veterans Affairs, and Related Agencies Appropriations bill**

*Keep Bill Language:* “SEC 8127. None of the funds appropriated by this Act or any prior appropriations Acts may be used to construct a wall, fence, border barriers, or border security infrastructure along the southern land border of the United States.”

*The accompanying fiscal year 2021 bill includes language that protects both previously appropriated projects, as well as fiscal year 2021 projects funded in this bill from being used as a source for border wall projects.* (Page 9)
