1. Language directing HUD to develop strategies for reducing veteran homelessness on US-Mexico border:

Homeless veterans on the U.S.-Mexico Border(p.73, Report) – The Committee notes that there are many homeless veterans living on the U.S. – Mexico border, many of whom have not historically been counted on the Point-in-Time Homeless Survey. The Committee directs HUD to develop strategies and recommendations for addressing and reducing U.S. veteran homelessness in the U.S. on the border.
