

Congressman Cuellar's Appropriations Language

FY17:

“Worker Protection Standards. – The Committee recognizes the importance of agricultural worker protection standards, especially for migrant farm workers, children who work on farms, and pesticide handlers, and directs the Agency to engage the U.S. Department of Agriculture, farmers, farm workers, industry and other interested organizations as it implements its standards.”

FY19:

*“Worker Protection Standards.—*The Committee directs the Agency to engage the U.S. Department of Agriculture, farmers, farm workers, industry and other interested organizations as it implements its standards and report back to the Committee within 90 days of the enactment of this Act.”
