2209 Rayburn House Office Building
Washington, DC 20515-4328

Dear Congressman Cuellar,

On behalf of the International Association of Machinists and Aerospace Workers, we strongly urge you to vote "NO" to the Cuellar #147 amendment to the FAA Reauthorization Act, H.R. 4 when it's considered. As the largest Airline Union in the United States, we believe this amendment will have a negative impact on the thousands of airline workers that we proudly represent in the local metropolitan Washington D.C. area. We oppose any changes to the perimeter rules governing flight operations at National Airport ("DCA") that could have a negative impact on our airline membership.

If you have any questions or concerns regarding our position, please do not hesitate to give us a call (301) 967-4575 office or hsolomon@iamaw.org

Sincerely,

Hasan Solomon
National Legislative Director
