

Rep. Cuellar's FY19 Homeland Security Appropriations Language Regarding the Feasibility of a Unified DHS Headquarters in South Texas

The Committee directs DHS to assess the feasibility of establishing a unified headquarters for CBP and ICE operational components in the South Texas region. This analysis shall consider whether co-location would significantly improve operational coordination, information sharing, and analytic collaboration among these DHS components. The analysis should also consider the potential for partnerships with local governments, colleges and universities, and other federal agencies to leverage resources.
